

## **Standard Certification (Level II) in the Diocese of St. Augustine**

Currently, teachers and catechists can earn Standard Certification (Level II) in two online programs:

***The Notre Dame Satellite Theology Program*** wherein 2 courses must be taken:

The Core Course (Introduction to the Catholic Faith) 35 hours

Or

Catholic Faith and Tradition for School Teachers 35 hours

(these classes are interchangeable with the same book)

And

On Prayer 25 hours

The STEP program is a virtual classroom requiring attendance by particular deadlines each week. When registering, place class in cart. When you are checking out, please choose "Diocese of St. Augustine" as a partner to receive the 20% discount. Classes are offered on a university schedule.

***The Searchlight Virtual School through the Diocese of Palm Beach*** wherein 6 shorter classes of 10 hours each must be taken.

Courses are:

Scripture (both Old and New)

Church History

Morality

Sacraments

Prayer and Spirituality

Basic Beliefs (Basic Beliefs involves choosing one of the following: Ecclesiology, Christology or Marian Theology)

Due to the amount of written work submitted to each of these institutions, no summary pages are necessary when submitting the final form. You should just submit a copy of the completion certificates that each provides.
